THE IRISH VOTER.

Union has asked for, and received a permit." leave of absence, during the present presidential contest and has also sent for his elevation to office."

Democratic ticket, it is stated on Democratic authority, that fully 80 per cent will vote for Blaine.

tops of trees, or small ones, and with butts up, lean against the shed and cover the same as top, only thicker, Such a shed is as warm as a board

Perhaps the reason the Democracy on the sides, and 7 in the center, and covered with half-inch boards

just one.

THE REPUBLICAN TICKET.

Something of the Men who Compose It. The following sketches of some of letter was on the wires from the east, the gentlemen nominated at Topeka and that it contained six thousand five last Thursday as our state standard hundred words. Two wires and two bearers during the coming campaign, opperators were used to this point from the Atchison Champion, will be Mr. Lvod. B. Ferrell the manager read with interest:

SECRETARY OF STATE ALLEN.

"Ohio man," born near Oberlin, a good locality for a Republican to be born in. He went thence to the good come, our readers had the letter in full Republican state of lows, to finish his by late breakfast time. political education, and graduated, thence to Kansas in 1865. He settled J. L. Dennison, of Neosho J. M. Miller, of Morris F. W. Starges, of Cloud W. S. Tilton, of Trego W. T. T. Taylor, of Reno Wichitz grew to be a city he officiated Wighita grew to be a city he officiated a much more manly attitude than as the first mayor of the infant metropolis, holding the office for two terms. He served in the legislatures of 1879, 1871 and 1989 of 1872, 1874 and 1882. He early entered upon the practice of medicine, tered upon the practice of medicine, and occupies an honorable position in Mr. Kelly and his friends were kicked the medical fraternity.

Dr. Allen is a steadfast Republican; a man of fine appearance, winning a man of fine appearance, which manners and fully possesses the confidence of the people of his section. His nomination is a fitting recognition of hankering after. Let them have it. Republicans of the great section embracing the rich and populous counties of Cowley, Sumner and Sedgwick, never before represented in the Re-

tion was over the attorney generalship. a more substantial and better man.-It finally fell to S. B. Bradford, against a field full of lawyers. Mr. Bradford man, as a politician, or as a leader, was trying to skip the county, collar that to day America stands the peer they know he is no higggle-haggling the same and make it live up to its ob- of any nation on the globe. It is

either tongue or pen. His letter is a at Topeka in the case of W. A. Johnmarvel in comprehensiveness, setting ston. Having served faithfully as atforth in a light so clear the differences torney general, an officer who combetween the two great national par-ties, that no one, however humble, can the law and was a just man, he was fail to understand. The results of the nominated for associate justice of the Democratic doctrine of free trade as compared with those of protect- acter and career are well known. He has proved a sound and judicious pubtion, as held, maintained and lie servant, and the convention said, STATES TREASURER HOWE.

over. How the rule of protection has Two years ago the Champion said over. How the rule of protection has fostered American industries and that Sam. T. Howe would make a good that Sam. T. Howe would make a good the state Treasurer. The Champion had state Treasurer. The Champion had good reasons for its belief. He was a good rea carries on those industries, insuring good carpenter to begin with, and not only good prices for the articles produced, but necessarily good and prompt wages, and how upon the ple of that county used him for about all the offices in their gift. He has other hand, free trade has been des- abundantly fulfilled all the expectatructive of all enterprise, oppressive to tions of his friends. All the Marion labor, and how under it the American laborer is forced into an inevitable county people said about him has proved true. The state treasury, formerly a constant source of trouble competition with cheap, poorly fed and investigation, has been kept up to and pauperized workers of the op- the John Francis standard. The peopressed millions of Europe, was never ple are satisfied to let Mr. Howe try STATE AUDITOR MC CARK.

aristocracy of the east who have bolt- having confidence in the honesty and ed Blaine, because they think it to canacity of E. P. McCabe, Auditor of their interest and comfort to keep the State, renominated him by acclaunamechanic, the artizan, the husband- tion. Mr. McCabe's first nomination man and the day-laborer down to some His second nomination is that, and imaginary level below them, will something more—a recognition of his nash their teeth in impotent rage business qualities. His first nominaover that letter, for the reason of the tion in some sense an experiment. His over that letter, for the reason of the second nomination is an expression of true doctrine it contains, that in the satisfaction with the results of that exelevation of labor rests the security of periment. Mr. McCabe bas proved the country, and in that the higher the worthy of his trust; he has conferred wages the more prosperous the Re-binor on the Republican party and on his race. There was not a dissenting public, in that the more closely the voice in the convention, there will not Splendid Bargains, protection principle is applied the more be a republican vote withheld at the

LIEUT, GOVERNOR RIDDIAS er, in that each hinges the one upon. The Champion takes especial the other, and that the doctrine of Democratic Free Trade enforced but Governor, and for several reasons. He drags down to dull death and a monot- is, to begin with, a young man, born ous struggle for existence the laborer, in 1846, and so he is only thirty-eight the mechanic, the farmer, the manufacturer and every other class of Americalings. He writes a good article and ican citizens. The facts and figures of sets a clean proof. He is a rising Blaine's letter are the facts and figures man. He came to Kansas in 1866, and of history and when the votes of No-vember shall have been counted it will ed to Pennsylvania, and did not get be found that the great body of the fairly started with his Girard Press American people know them to be so, until June, 1873. Every day since he and who will have elected the author of that letter by a greater popular in 1877, and senator in 1880, and will majority than any president has been go from the floor of the senate to the elected by since Lincoln's second over-1885. He is a student; a thinker; an admirable parliamentarian; an excel-lent off-hand talker, and a splendid

In a recent issue of the Philadelphia If you want reliable insurance. The Democratic party is in a great Press this was said of him: stew over the threatened bolt of the Irish voters of America. Cleveland is not only shown himself their enemy and the enemy of the laborer but items of Kansas we and for a long time a resident of Venango county, Pa. The Republicans of Kansas have an abundance of first-reasonal Blaine's record shows him to be their friend. Not only that but the Republican platform and Blaine's letter de. clare unequivocally for the protection of American industries. The deficiency of the Girard Press and has ever since been the protection of American industries. The deficiency of the Girard Press and has ever since been the protection of American industries. Irish World did not even wait for the expounding with effective vigor the benifinomination of Cleveland but came out for Blaine. The Boston Pilot, another Irish American paper of great influence followed. Now the great Irish Catholic editor, the Hon. Wm. Catholic editor, the Rochester, N. Y... Kansas would have an efficer with about as much real grit and intellectual pressure to the square inch as the laws of human nature permit."

Cent principles of pure Republication, varieties that some service in the legislature, and a term or two in the state senate. If he should now be nominated and elected to the Lieutenant Governorship, it would be but the legitimate reward of a long and useful service to the state, and a term or two in the state senate. If he should now be nominated and elected to the Lieutenant Governorship, it would be but the legitimate reward of a long and useful service to the state, and a term or two in the state senate. If he should now be nominated and elected to the Lieutenant Governorship, it would be but the legitimate reward of a long and useful service to the state, and service to the state, and the state is a long and useful service to the state, and the state is a long and useful service to the state, and the state is a long and useful service to the state, and the state is a long and useful service to the state, and the state is a long and useful service to the state, and the state is a long and useful service in the legislature, and a term or two in the state is a long and useful service in the legislature, and a term or two in the state and cleeted to the Lieutenant Governorship, it would be but the legitimate reward of a long and useful service to the state, and the legislature, and the legi
